

REGIONAL CONSULTATION WORKSHOP ON HARMONISATION OF THE CDM STRATEGY AND THE SENDAI FRAMEWORK FOR DISASTER RISK REDUCTION

BARBADOS, 22 NOVEMBER 2016

Objectives of the Harmonization Process and Progress

Sandra Amlang
UNISDR

22 November 2016

Objective

- Worldwide process to harmonize regional or sub-regional DRR frameworks or strategies with the Sendai Framework.
- In the Caribbean, CDEMA and UNISDR have agreed to align the Comprehensive Disaster Management (CDM) strategy and monitoring system with the Sendai Framework for DRR.
- **Goal: Facilitate reporting of Caribbean countries to both frameworks.**
- Reflect relevant elements from the sustainable development indicators and at a later stage indicators related to climate change.

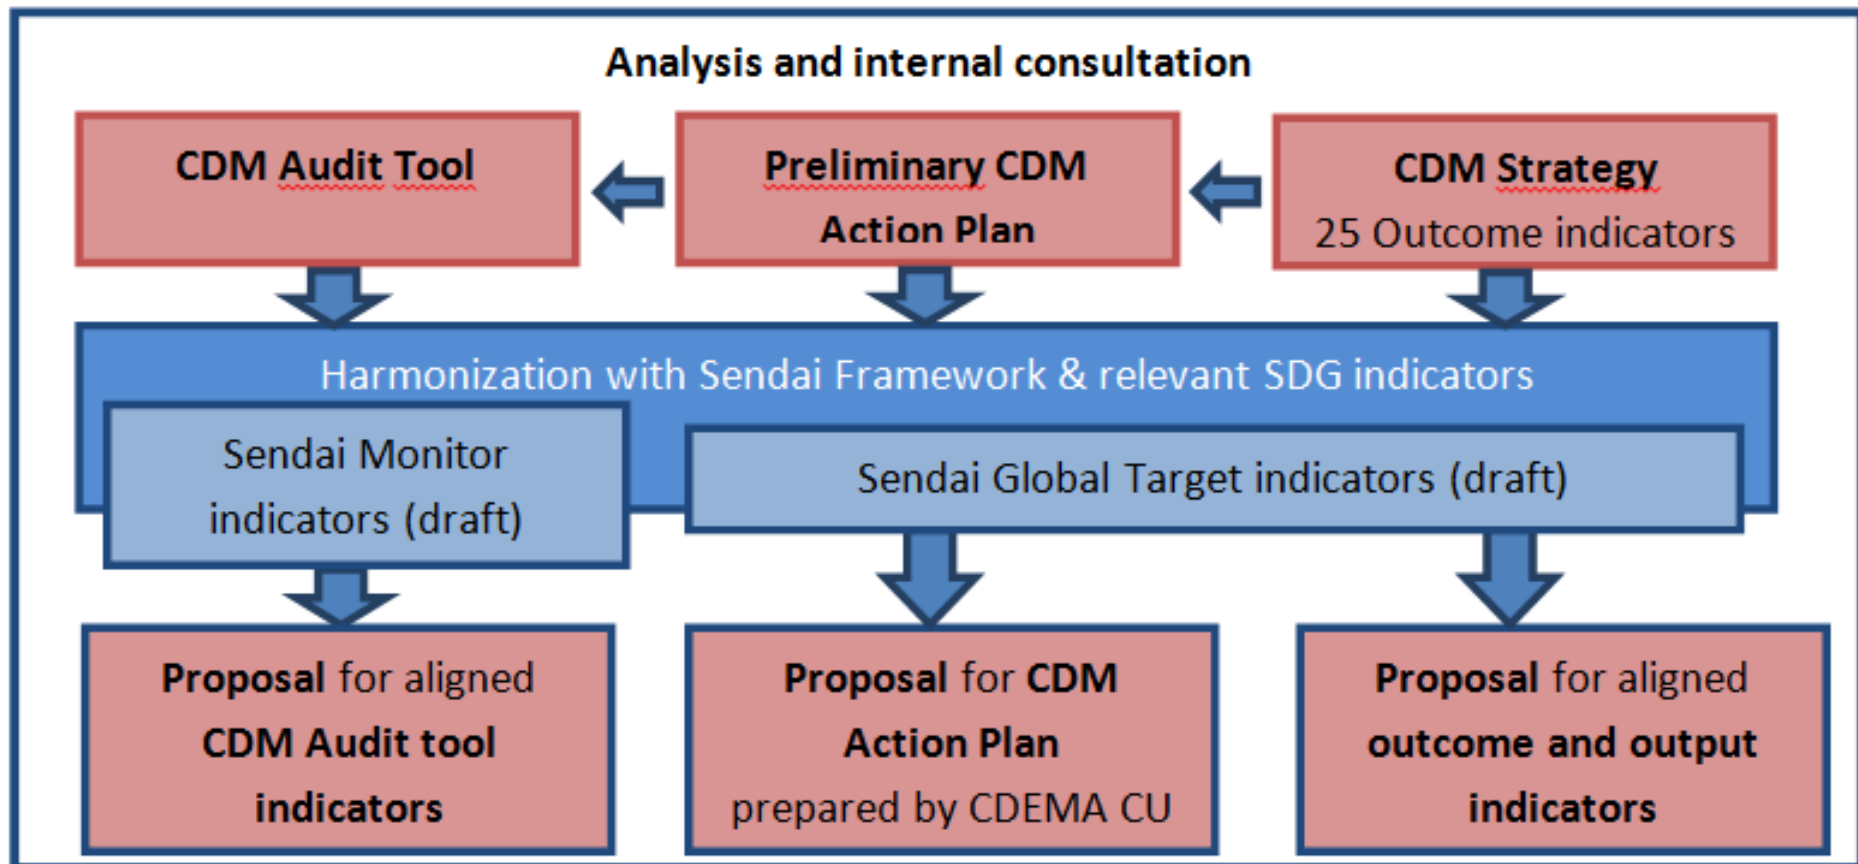

Expected Outcome

Based on the consultations it is expected that the following will be achieved by 2016:

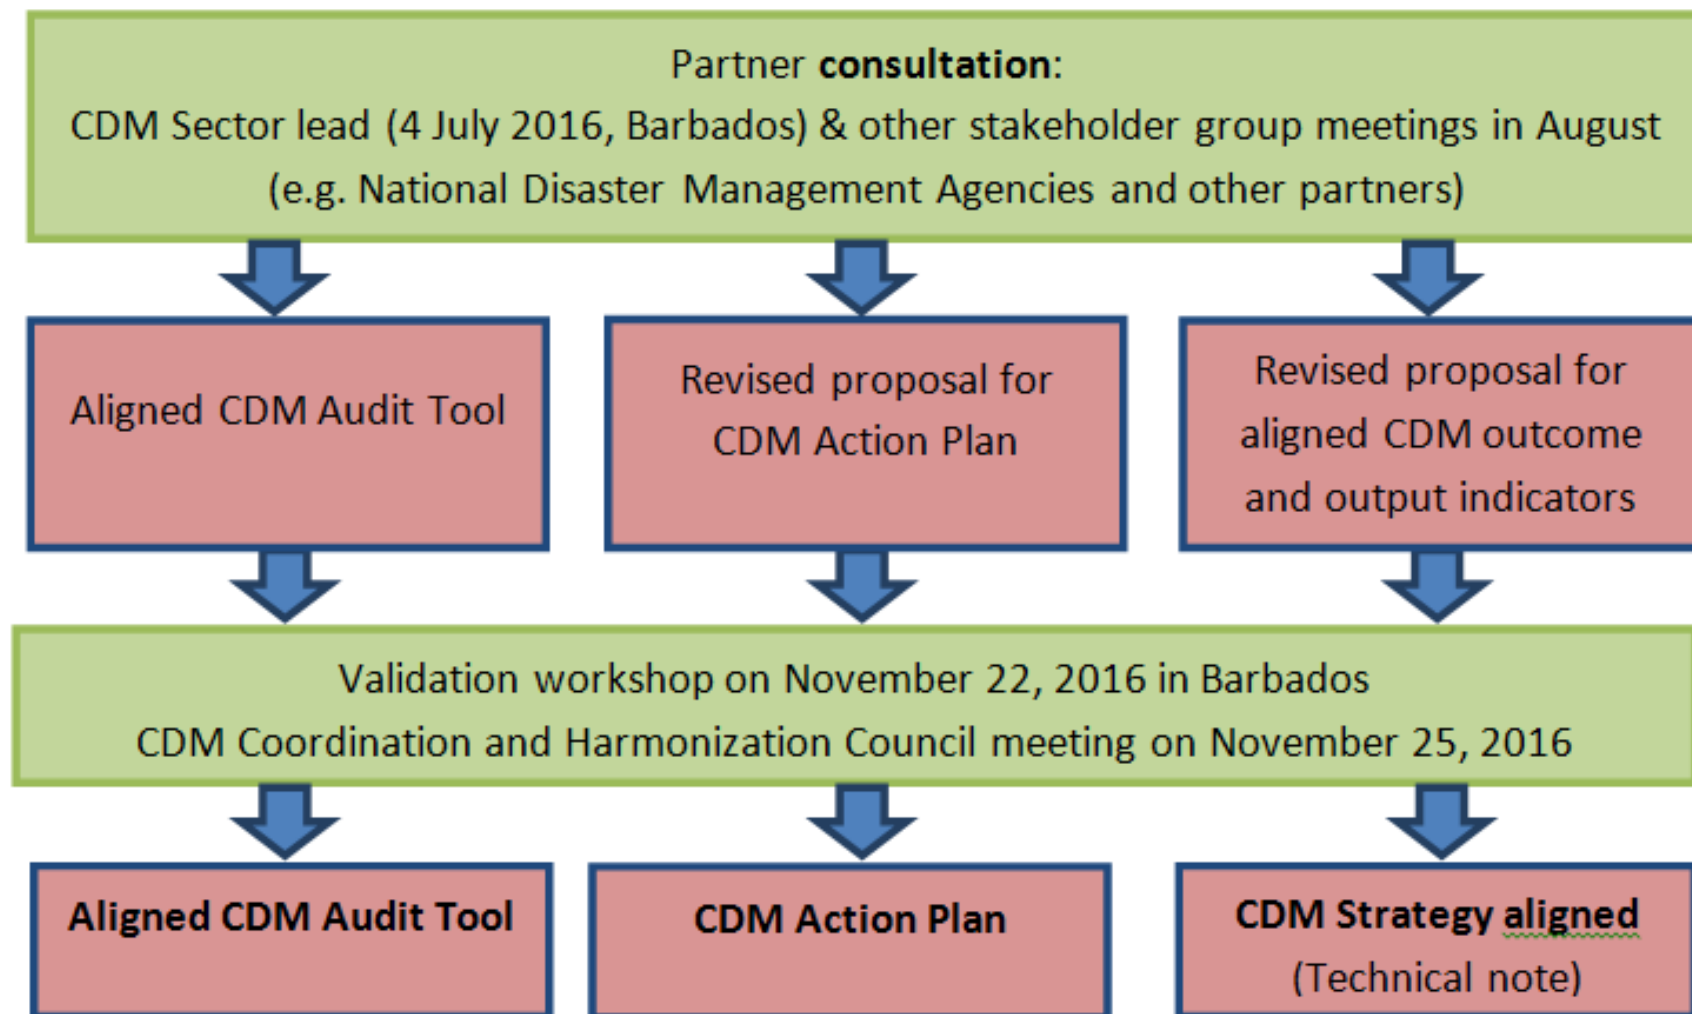

- Harmonised and validated CDM Performance Monitoring Framework
- Revised, harmonised and validated CDM Action Plan
- Harmonised and validated CDM Audit Tool

For 2017, the following expected outcomes have been defined:

- Apply the 2017 CDM Audit tool in 6 countries and develop CDM country work programmes and related PMF.

Regional consultation process

Sendai Framework global target and monitor indicators finalized in Dec 2016

Validation of outputs early 2017 (Desk review)

Update CDM monitor with Technical annex, CDM Action Plan & CDM Audit tool

CDM Audit tool (version 2017)

Identify Sendai Monitor indicators that have relevance for CDEMA Participating States

Matching of CDM Audit tool indicators with selected Sendai Monitor indicators

Online reporting and monitoring system that generates CDM Audit reports and Sendai progress reports as well as inputs related to reporting on SDG and Climate Change Adaptation

Identify Sustainable Development Goals and Climate Change Adaptation indicators that have relevance for CDEMA Participating States

Matching of CDM Audit tool indicators with selected SDGs and Climate Change indicators

Piloting of the 2017 CDM Audit tool in 6 CDEMA participating States

Analyze results for each country and prepare or update CDM country work programmes (CWP)
